Staurvej 29  
9240 Nibe - Denmark.

DK Esbjerg 22<sup>th</sup> Martz 2011.

**ecoBETA dual flush with 1 button**

We removed in January 2008 all the dual flush valves with 2 buttons, from our toilets,  
and exchange them with ecoBETA dual flush valves with 1 button

The results has been extraordinaire with water savings up to **48% and no maintenance at all.**

I can strongly recommend ecoBETA dual flush

Christian Søvad

Production- & Facility Manager
